INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

We went from there to middle Tenn when I was a baby, and then from middle Tenn. we went back to Ala. where my mother died. I often heard my mother speak of her Cherokee Indian descent. My mother got her Indian blood through her mother's people. My grandmother was an Arnold, Margaret Arnold. She died in Howard County, Mo. before I was born. My mother never told me how much Indian my grandmother was, only that she was an Indian. My mother was married at the age of 16, in Mo. My mother never got any money from the Government on account of her Indian blood. My father always made a good living for my mother, and so I do not suppose she thought it was necessary to make any claim in regard to her Indian rights. I am recognized in the community in which I live as white woman.

He was born in Monroe County, Ky. He came west in 1870. My father got his Indian blood through his mother, a Miss Kilman. I do not know her given name. I reckon I was about 12 years when Miss Kilman died in Ky. She must have been 1/2 Cherokee. She was quite an old lady at the time of her death. My father has often told me that my grandmother, this Miss Kilman was recognized as an Indian, but he never said that she lived with the Indians. She never got any money from the Government on account of her Indian blood. Her neighbors and friends recognized her as being an Indian.

What was your maiden name?

Where were you born? In what month and year were you born?

When did you go to the Indian Territory?

Give the full name of your father or mother.

Give also the full maiden name of your mother.

Do you claim to be of Cherokee blood?

Through whom do you claim your Cherokee blood, your father or your mother?

In what county and state and in what month and year
were your parents born?

What were the full English and Cherokee names
of your grandparents through whom you claim your Cherokee blood?

Give the maiden names of your grandmothers, if possible.

Was there ever an application filed for you before
the Dawes Commission? If so, state whether you received an
allotment or not.

Are you related to Melvina J. Adams of Marble, N. C.?

Did your mother ever have any brothers and sisters.

If so, give the full names of such brothers and sisters and

Statement of Joseph M. Pemberton.
Relative to his application for participation in
the Eastern Cherokee Indian Land Application
#42567 Yes my Father always told me that
he lived with his father among the Indians
in N.C. until his Father's death, which occ-
urred about the year 1830, that my Father was
about 12 yrs old when my Grand Father died.
No. They were recognized as being of Indian blood
and we are yet, so recognized by our Countrymen.
I do not know except it was because our Grand
Father died in 1830 and my Father living in
Tenn & in 1851. I don't suppose he ever looked
after the matter when the enrollment was going
on. My Grand Father was dead in 1834. and my
Father lived in Tenn.

As before stated my Grand Father died about 1830.
but my Father lived in Sevier County Tenn.
No. Neither my parent nor Grand parent were
ever slaves

My Father always told us, that he owned an
interest in N.C. and that we would get it
some day, but I did not know the nature of
the claim that he was holding to.

Jos. M. Pemberton^{XXXXXXX} being first duly sworn, deposes and says:

That I am 37 years of age and live in Anderson Co., Tenn. I came through my father. My mother was some Indian but I don't know how much. My father was born in N. C. but I don't know what county; just across Smoky Mountains. My father's mother was Phobie Inman. My father was born in 1818 and my grandparents stayed in N. C. until my father was 12 years old. My grandfather died then. My father ~~and mother~~ came over to Sevier Co., Tenn. After they came there they took the name of Pemberton, which I think was my mother's maiden name. My father always told me that he was with the Cherokee tribe, in N. C. until he left there. Then he went over in Sevier Co. and stayed there until he was grown and then he went backwards and forward. I don't know whether he was considered as a member of the tribe, or whether he ~~was~~ had any voice in the tribal government. He was never on any roll that I know of. Don't know about his mother. I was named after my grandfather, Joseph Inman. My mother was born and raised in Anderson Co., Tenn. She never lived with the Indians that I know of. I don't know where her parents came from. My father had one whole sister named Lithey who never married. She went by the name of Pemberton. My father had half-sisters on my grandmother's side. I pass as a white man with some Indian blood. My wife is a white woman. This is the only application I have ever made by reason of my Indian blood.

My name is Tennie McLeMore. I am 53 years old. I was born in Lowden and Monroe Co., and I claim Indian blood through my mother. My mother was born in Monroe Co., on the river. Her mother claimed Indian blood. My grandmother's name was Snyder. ~~That~~ My father said my mother was half Indian, I do not claim any Indian blood as I have always passed as white. My father said if I had any Indian blood it was Cherokee. I have never received any money. Billy Amesworth I think was my uncle. I cannot tell who my real Indian ancestor was.

My name is William Shaw. I am about 45 years of age. I was born in Monroe Co., Tenn. I claim through my ~~father~~ mother whose name was Sarah Townsend before marriage. She was born in Cooke Co., Tenn. My mother went to Alabama. She goes by the name of Sarah Shaw. If she is alive she is about 67 years old. She claimed through her father, William Townsend. I knew William Townsend. He has been dead about 22 years. He was born and raised in the same place as my mother. He was about 70 when he died. I don't know which side he claimed his Indian Blood. He claimed to be quarter. He said he was a Cherokee Indian. All his people came from up there somewhere. My mother and grandfather were living in Monroe Co., Tenn., in 1851, I think, although they may have been in Cooke Co. I don't know the name of the full-blood Indian through whom we claim. My mother and grandfather passed as white people in the Community in which he lived. My grandfather and I always voted. I don't know the name of any one who knew my grandfather who could be a witness for me. I never heard of my mother or grandfather drawing any money as Indians. I never claimed any money or land before.

Annie Stephenson, after being first duly sworn, deposes and says.

I am about 41 years of age; was born in Iowa. I claim Cherokee Indian blood through my mother, Mary Pasly. I do not know where my mother was born. She never received any Indian money from the government nor have I. I do not think my mother ever tried to get any Indian money. She died in Missouri. She claimed her Indian blood through her mother. I have seen her. She lived in Missouri when I knew her. I do not know where she was born. I am satisfied she never got any Indian money. I have heard of my Indian blood ever since I can remember. My mother and grandmother first told me. They would often talk about the Cherokees and call us children little Indians.

Joseph R. Sequichie being first duly sworn in behalf of Isaac Tower, deposes and says:

I know Isaac Tower. I am the postmaster at Chelsea, Okla. I know his father, Wilson Tower. I understand that Wilson recognizes this boy as his son. Isaac's parents were never married. The evidence given by Mr. Whirlwind is true as far as I know. According to my best knowledge, the claimant has Eastern Cherokee blood. Isaac's grandfather, John De-wee, was not an Old Settler because his family was related to my family. I don't remember just whether this relationship came on my father's or mother's side. I knew that in 1851, John was living in this territory, but I don't know whether they were enrolled. I know that this boy, Isaac Tower, is of Eastern Cherokee blood.

App. No. 42611

Lewis Whirlwind being first duly sworn in behalf of Isaac Tower, deposes and says:

That I am 44 years of age and live at Foyil, Okla. I am an Eastern Cherokee Indian and have filed an application to participate in this fund. I know Isaac Tower. He is about 20 years old. He is of Eastern Cherokee descent which he gets from his father. His mother was an Old Settler. His father was named Wilson Tower. He is living, I believe. Isaac does not live with his father. Don't know why he doesn't live with his father. He never did live with him. I think his parents were not married. I understood that Wilson Tower recognized this boy to be his child. During the strip payment Wilson Tower acknowledged this boy as his child and he wanted to get him the strip payment. Isaac got the strip payment. Wilson Tower is about 45 years of age. He got the strip payment, I think. Isaac's mother raised him; she is dead now. Wilson Tower was not enrolled by the Dawes Commission. He is a Night Hawk. Wilson's Indian blood came from his father; his name was Tower. His Indian name was John Da-wee. Think he was enrolled in 1851. He lived in Saline District but I don't know where he lived in 1851. Wilson had a brother named Jesse Tower. Ju-nu-lu-hus-kee was his Indian name. He had other brothers but I do not remember their names. My father was a brother of John, his name being Stand. Dah-wee-see was another brother. The boy's mother has been dead about 8 years. Her name was Nellie Smoke. Isaac was enrolled by the Dawes Commission, No. 26188. His father never drew any Old Settler money. I said "No", but I am not sure. His grandfather never drew Old Settler money. If Wilson Tower is the father of claimant, as is supposed, I know positively that Isaac has Eastern Cherokee Indian blood. I am the cousin of claimant.

Mamie McClendon being first duly sworn, deposes and says:

My name is Mamie McClendon. I live at Joplin, Mo. I was born in 1875 in Newton Co., Mo. I claim my Cherokee Indian blood through my father, Landon Sanders. He was ~~born~~ 62 years old this year. I don't know whether he is still living or not. I don't know where he was born. ~~He~~ I don't know whether he was born in Mo. or not. When my mother and he were married they were living in Mo. That was in 1874. Both his mother and father were both Cherokee Indians. They lived at Sarcoxie, Mo. They came there when my father was just a little boy. My uncle said they came from Tenn. he thought. He said the Eastern part of Tenn. As far as I know my father never lived in Tenn. I don't know whether my grandparents lived with the white people or Indians in Tenn. or not. My uncle said that his great great grandmother was a full blood Indian. My grandparents lived with the Indians in N. C. They lived with them in N. C. in 1833 and 1834. I suppose they went from N. C. to Tenn. I never saw my grandfather. I just did see my grandmother a few days. I never heard her speak of a treaty. ~~My father~~ I don't know whether my father, grandmother, grandfather ever received any money or land from the Govt. on account of their Indian blood. I don't know whether my grandparents lived with the Indians as a member of the tribe or not. I never heard anything about an enrollment in 1851. ~~My father~~ My uncle did not file an application because he neglected it.

Was the parent through whom you claim not enrolled in 1881, and where was he or she residing in 1884-85, if living at that time. Where were your grandparents on the side through which you claim residing in 1881-85?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Appl. #42625

Charles Ball being first duly sworn, deposes and says:

My name is Charles Ball. I live at Joplin, Mo. I was born in 1862 in Mo. I claim through my father, and his name was James Ball. He was born in Va. somewhere in 1820 I think. My father never lived with the Indians as a member of the tribe. He never received any money or land from the Govt. on account of his Indian blood. To the best of my knowledge he was enrolled at Tahlequah, Okla. He left Va. after 1852. He lived there up to that time. He went to Kans. after he left Va. and then went to Mo. and then to the Territory. In 1889 he took up land there. It was given to him by the Govt. I claim through my great-grandmother, Sarah Mouts. I saw her name on the roll. In C. C. Clover's office.

Mr. Guion Miller. Spec. Com.

Washington D.C.

Dear Sir:-

Grandma Brunson resided with the Cherokee tribe in Georgia up to 1828 or 1829 and resided with the tribe in the Cherokee Nation a little while about 1861. She was in the Cherokee Nation when Civil war broke out in 1861.

Our family pass for white, that is myself and mother but Grandma Brunson was always recognized as an Indian.

I suppose the reason they were not enrolled in 1861 she was not in the East.

My mother Mandy Brown and her mother Allecha Nunn and Allechia Nunns mother, Grandma Brunson was in Missouri or the West.

Grandma Brunson in 1834-35 was residing in North Mo. Calloway Co.

She was no slave. Grandma Brunson left Cherokee Nation in 1861 and came back to Missouri and died in Mt. Vernon Mo. in 1864.

Respectfully,

(Mrs) ~~Clara~~

Appl. #42649-22647

Wm. Allen Roberts, being first duly sworn, deposes and says:

My name is Wm. Allen Roberts. I live at Palmetto, Ga. I was born in 1857 in Bayette, Co. Ga. I claim Cherokee Indian blood through my mother, her father, and his father. My mother was recognized as a white person. I suppose my grandfather was recognized as a white man. I made a mistake by Indian blood comes from my great grandmother. She was a full blooded Indian squaw. I know that my great grandmother was a full blooded Cherokee because an old man named Watley said so. He knew my great grandmother. He was a near neighbor to her for years. I suppose it was in Ga. I don't know where. He (Watley) was a white man. My mother and my grandfather lived with the white people, but I don't know what my great grandfather was considered. I have heard that my great grandmother claimed herself to be a full blooded Cherokee Indian, but I don't know what she was recognized to be. I never heard of my mother or her father getting any money or land from the Government on account of their Indian blood. I never heard of my grandfather living with the Cherokee tribe. I did not know him. I never heard my mother say anything about him living with the Cherokee tribe. My great grandfather's name was Solomon Watley. My great grandmother's name was Celie ~~Watley~~ Whitley. I never heard of a Treaty the Government made with the Indians in 1835. In 1882 I was living in Cowetta County, Ga. I never heard of an enrollment of the Cherokee of that time.
